“Hill Property has managed two investment condo townhomes locally for my husband and myself for approximately 6 years. We have never had vacancy or lost rent. Everything is handled for us, repairs, bill payments, rent collection. We just open our statements each month! We are thinking of adding a third unit next year! Bravo!” – A. KIENS

“I was unexpectedly posted in Dubai on an engineering assignment for a one year period. Hill Property Management Group managed our newly renovated home in Oakville for a total of 4 years. I was very pleased with the condition of the property when we returned. Their experience and expertise while we were non-residents of Canada was invaluable. Thank you for all your assistance. My family is very grateful!” – S. HUSSEIN
